REQUEST FOR INFORMATION (RFI) ACCESS & SUBMISSION DETAILS

The GPE invites national and international interested parties to participate in an RFI for the supply of 220 MW of renewable energy generation, including up to 110 MW / 220 MWh Battery Energy Storage Systems on a Build, Own and Operate (BOO) basis.

This RFI supports market consultation and will inform the development of a future competitive Request for Proposals (RFP) under the Electricity Act, 2015 and IRP 2022.
